How LETS works

South Powys LETS is a Local Exchange and Trading System.

LETS is a local, multi-choice, flexible bartering system. It enables local people to receive all kinds of goods and services from one another without the need to spend money.

When you join you become a member of a non-profit making club. Members are able to avoid the problem of traditional barter - when the Offers and Wants of two people wishing to trade do not always match up.

The scheme distributes to all members a Directory of goods and services offered and requested. Through this members make contact and can earn credits with one member of the club while they spend them with another. No interest is charged to those 'in debt' or paid to those 'in credit'.

South Powys LETS undertakes to record all transactions between members in a currency called Beacons and to publish regular accounts accessible to all members.

Before you join you should carefully read the Members Agreement on the attached leaflet, which outlines the commitment of members.

Membership fees:

If joining in

January – March, Household/Organisation £10.00 Unwaged £5.00 (If paid by standing Order £8/£4)

April – June: £7.50/£3.75 (£6/£3) ;

July – September: £5.00/£2.50 (£4 /£2);

October – December: £2.50/£1.25 (£2/£1)

I would like to become a member of South Powys LETS scheme.

I enclose £_____ cheque cash (*please make payable to South Powys LETS*)

Or I enclose completed standing order for my bank (*available from Lets Treasurer*)

I agree to the conditions of the Members' Agreement and do not object to my membership and account details being held on computer.

I also consent to the distribution of those details to other members of South Powys LETS.

I understand that my fee entitles me to be listed in, and to receive the next TWO Editions of the LETS Directory, after which I will need to renew my membership.
